50 mm

170 mm

How to measure your ring size?

1) Print out this document. Ensure that when you are printing you DO NOT select the option to fit to page or shirnk to page.

2) Measure the outer box and ensure that it is 170mm by 50mm.

3) Cut out the sizer and make a slit where is shown. Push the end through the slit to form a ring shape and slip it onto your finger.

4) Adjust to give a comfortable fit which goes over the knuckle without difficulty. Read off the letter indicated by the arrow - that is your size.

Please note:

1) Ensure you can slip the sizer on and off your finger confort ably.

2) Do not pull on the sizer tightly as this will give you the wrong size for your finger.
